N.C.G.S. § 20-279.29.

Duration of proof; when proof may be canceled or returned.

General Statutes of North Carolina, as published by the General Assembly	c. 1300, s. 29 — first act in the lineage	21 September 2026, 05:13 UTC	80763ba8c1a4021e9af31eb4 - 6cc2422909525617f3ece088 - bfc1b7d78719636d

The Commissioner shall upon request consent to the immediate cancellation of any bond or certificate of insurance, or the Commissioner shall direct and the State Treasurer shall return to the person entitled thereto any money or securities deposited pursuant to this Article as proof of financial responsibility, or the Commissioner shall waive the requirement of filing proof, in any of the following events:

At any time after two years from the date such proof was required when, during the two-year period preceding the request, the Commissioner has not received record of a conviction or a forfeiture of bail which would require or permit the suspension or revocation of the license, registration or nonresident's operating privilege of the person by or for whom such proof was furnished; or

In the event of the death of the person on whose behalf such proof was filed or the permanent incapacity of such person to operate a motor vehicle; or

In the event the person who has given proof surrenders his license to the Commissioner.

Provided, however, that the Commissioner shall not consent to the cancellation of any bond or the return of any money or securities in the event any action for damages upon a liability covered by such proof is then pending or any judgment upon any such liability is then unsatisfied or in the event the person who has filed such bond or deposited such money or securities, has, within one year immediately preceding such request, been involved as an operator or owner in any motor vehicle accident resulting in injury or damage to the person or property of others. An affidavit of the applicant as to the nonexistence of such facts, or that he has been released from all of his liability, or has been finally adjudicated not to be liable, for such injury or damage, shall be sufficient evidence thereof in the absence of evidence to the contrary in the records of the Commissioner.

Whenever any person whose proof has been canceled or returned under subdivision (3) of this section applies for a license within a period of two years from the date proof was originally required, any such application shall be refused unless the applicant shall reestablish such proof for the remainder of such two-year period.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
