As used in this Article:

"Consumer" means the purchaser, other than for purposes of resale, or lessee from a commercial lender, lessor, or from a manufacturer or dealer, of a motor vehicle, and any other person entitled by the terms of an express warranty to enforce the obligations of that warranty.

"Manufacturer" means any person or corporation, resident or nonresident, who manufactures or assembles or imports or distributes new motor vehicles which are sold in the State of North Carolina.

"Motor vehicle" includes a motor vehicle as defined in G.S. 20-4.01 that is sold or leased in this State, but does not include "house trailer" as defined in G.S. 20-4.01 or any motor vehicle that weighs more than 10,000 pounds.

"New motor vehicle" means a motor vehicle for which a certificate of origin, as required by G.S. 20-52.1 or a similar requirement in another state, has never been supplied to a consumer, or which a manufacturer, its agent, or its authorized dealer states in writing is being sold as a new motor vehicle.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
