General Statutes of North Carolina, as published by the General Assembly	No amendment history on record	21 September 2026, 03:39 UTC	9a3d8ed20ce3bc24e95ef4ee - 4f45988892bfc457de3239c - 2d354bbdd1e50eb

- § 20-354.3(a)

When any customer requests a motor vehicle repair shop to perform repair work on a motor vehicle, the cost of which repair work will exceed three hundred fifty dollars (\$350.00) to the customer, the shop shall prepare a written repair estimate, which is a form setting forth the estimated cost of repair work, including diagnostic work, before effecting any diagnostic work or repair. In determining under this section whether the cost of the repair work exceeds three hundred fifty dollars (\$350.00), the cost of the repair work shall consist of the cost of parts and labor necessary for the repair work and any charges for necessary diagnostic work and teardown, if any, and shall include any taxes, any other repair shop supplies or overhead, and any other extra services that are incidental to the repair work. The written repair estimate shall also include a statement allowing the customer to indicate whether replaced parts should be saved for inspection or return and a statement indicating the daily charge for storing the customer's motor vehicle after the customer has been notified that the repair work has been completed.
- § 20-354.3(b)

The information required by subsection (a) of this section need not be provided if the customer waives in writing his or her right to receive a written estimate. A customer may waive his or her right to receive any written estimates from a motor vehicle repair shop for a period of time specified by the customer in the waiver.
- § 20-354.3(c)

Except as provided in subsection (e) of this section, a copy of the written repair estimate required by subsection (a) of this section shall be given to the customer before repair work is begun.

- § 20-354.3(d)

If the customer leaves his or her motor vehicle at a motor vehicle repair shop during hours when the shop is not open, or if the motor vehicle repair shop reasonably believes that an accurate estimate of the cost of repairs cannot be made until after the diagnostic work has been completed, or if the customer permits the shop or another person to deliver the motor vehicle to the shop, there shall be an implied partial waiver of the written estimate; however, upon completion of the diagnostic work necessary to estimate the cost of repair, the shop shall notify the customer as required by G.S. 20-354.5(a).
- § 20-354.3(e)

Nothing in this section shall be construed to require a motor vehicle repair shop to give a written estimate price if the motor vehicle repair shop does not agree to perform the requested repair. (1999-437, s. 1; 2001-298, s. 2; 2005-304, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
