§ 20-84.2(a) The term rental vehicle when used herein shall mean and include any motor vehicle which is rented or leased to another by its owner for a period of not more than 30 days solely for the transportation of the lessee or the private hauling of the lessee's personal property.

§ 20-84.2(b) Rental vehicles owned or operated by any nonresident person engaged in the business of leasing such vehicles for use in intrastate or interstate commerce shall be extended full reciprocity and exempted from registration fees only in instances where:

- (1) Such person has validly licensed all rental vehicles owned by him in the state wherein the owner actually resides; provided, that such state affords equal recognition, either in fact or in law to such vehicles licensed in the State of North Carolina and operating similarly within the owner's state of residence; and further provided, that such person is not engaged in this State in the business of leasing rental vehicles; or where
- (2) Such person operates vehicles which are a part of a common fleet of vehicles which are easily identifiable as a part of such fleet and such person has validly licensed in the State of North Carolina a percentage of the total number of vehicles in each weight classification in such fleet which represents the percentage of total miles travelled in North Carolina by all vehicles in each weight classification of such fleet to total miles travelled in all jurisdictions in which such fleet is operated by all vehicles in each weight classification of such fleet.

§ 20-84.2(c) The Commissioner of Motor Vehicles requires such person to submit under oath such information as is deemed necessary for fairly administering this section. The Commissioner's determination, after hearing, as to the number of vehicles in each weight classification to be licensed in North Carolina shall be final.

Any person who licenses vehicles under subsection (b)(2) above shall keep and preserve for three years the mileage records on which the percentage of the total fleet is determined. Upon request these records shall be submitted or made available to the Commissioner of Motor Vehicles for audit or review, or the owner or operator shall pay reasonable costs of an audit by the duly appointed representative of the Commissioner at the place where the records are kept.

If the Commissioner determines that the person licensing vehicles under subsection (b)(2) above should have licensed more vehicles in North Carolina or that such person's records are insufficient for proper determination the Commissioner may deny that person the right or any further benefits under this subsection until the correct number of vehicles have been licensed, and all taxes determined by the Commissioner to be due have been paid.

§ 20-84.2(d) Upon payment by the owner of the prescribed fee, the Division shall issue registration certificates and plates for the percentage of vehicles determined by the Commissioner. Thereafter, all rental vehicles properly identified and licensed in any state, territory, province, country or the District of Columbia, and belonging to such owner, shall be permitted to operate in this State on an interstate or intrastate basis.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
