General Statutes of North Carolina, as published by the General Assembly	S.L. 2009-8, s. 2 — second act in the lineage	21 September 2026, 03:38 UTC	f8995cbe4a51a06dc1043a81 - b6f0be0445dbfb6b06f12167 - 3863e8881e7548d3

§ 36E-3(a) Subject to the intent of a donor expressed in a gift instrument, an institution, in managing and investing an institutional fund, shall consider the charitable purposes of the institution and the purposes of the institutional fund.

§ 36E-3(b) In addition to complying with the duty of loyalty imposed by law other than this Chapter, each person responsible for managing and investing an institutional fund shall manage and invest the fund in good faith and with the care an ordinarily prudent person in a like position would exercise under similar circumstances.

§ 36E-3(c) In managing and investing an institutional fund, an institution:

- (1) May incur only costs that are appropriate and reasonable in relation to the assets, the purposes of the institution, and the skills available to the institution; and
- (2) Shall make a reasonable effort to verify facts relevant to the management and investment of the fund.

§ 36E-3(d) An institution may pool two or more institutional funds for purposes of management and investment.

§ 36E-3(e) Except as otherwise provided by a gift instrument, the following rules apply:

- (1) In managing and investing an institutional fund, the following factors, if relevant, must be considered:

- a. General economic conditions;
 - b. The possible effect of inflation or deflation;
 - c. The expected tax consequences, if any, of investment decisions or strategies;
 - d. The role that each investment or course of action plays within the overall investment portfolio of the fund;
 - e. The expected total return from income and the appreciation of investments;
 - f. Other resources of the institution;
 - g. The needs of the institution and the fund to make distributions and to preserve capital; and
 - h. An asset's special relationship or special value, if any, to the charitable purposes of the institution.
- (2) Management and investment decisions about an individual asset must be made not in isolation but rather in the context of the institutional fund's portfolio of investments as a whole and as a part of an overall investment strategy having risk and return objectives reasonably suited to the institutional fund and to the institution.
- (3) Except as otherwise provided by law other than this Chapter, an institution may invest in any kind of property or type of investment consistent with this section.
- (4) An institution shall diversify the investments of an institutional fund unless the institution reasonably determines that, because of special circumstances, the purposes of the fund are better served without diversification.
- (5) Within a reasonable time after receiving property, an institution shall make and carry out decisions concerning the retention or disposition of the property or to rebalance a portfolio in order to bring the institutional fund into compliance with the purposes, terms, and distribution requirements of the institution as necessary to meet other circumstances of the institution and the requirements of this Chapter.

(6) A person that has special skills or expertise, or is selected in reliance upon the person's representation that the person has special skills or expertise, has a duty to use those skills or that expertise in managing and investing institutional funds. This subdivision does not apply to a volunteer who is not compensated beyond reimbursement for expenses.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
