All agricultural leases and contracts hereafter made between landlord and tenant for a period of one year or from year to year, whether such tenant pay a specified rental or share in the crops grown, such year shall be from December first to December first, and such period of time shall constitute a year for agricultural tenancies in lieu of the law and custom heretofore prevailing, namely from January first to January first. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
