The tenant of a residential property used for a vacation rental shall:

Keep that part of the property which he or she occupies and uses as clean and safe as the conditions of the property permit and cause no unsafe or unsanitary conditions in the common areas and remainder of the property that he or she uses.

Dispose of all ashes, rubbish, garbage, and other waste in a clean and safe manner.

Keep all plumbing fixtures in the property or used by the tenant as clean as their condition permits.

Not deliberately or negligently destroy, deface, damage, or remove any part of the property or render inoperable the smoke detector provided by the landlord or knowingly permit any person to do so.

Comply with all obligations imposed upon the tenant by current applicable building and housing codes.

Be responsible for all damage, defacement, or removal of any property inside the property that is in his or her exclusive control unless the damage, defacement, or removal was due to ordinary wear and tear, acts of the landlord or his or her agent, defective products supplied or repairs authorized by the landlord, acts of third parties not invitees of the tenant, or natural forces.

Notify the landlord of the need for replacement of or repairs to a smoke detector. The landlord shall annually place new batteries in a battery-operated smoke detector, and the tenant shall replace the batteries as needed during the tenancy. Failure of the tenant to replace the batteries as needed shall not be considered negligence on the part of the tenant or the landlord.

These duties shall not be waived; however, the landlord and tenant may make additional covenants not inconsistent herewith in the vacation rental agreement. (1999-420, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
