- (2) Offer vacation rental property to the public for leasing in compliance with all applicable federal and State laws, regulations, and ethical duties, including, but not limited to, those prohibiting discrimination on the basis of race, color, religion, sex, national origin, handicapping condition, or familial status.
- (3) Notify the landlord regarding any necessary repairs to keep the property in a fit and habitable or safe condition and follow the landlord's direction in arranging for any such necessary repairs, including repairs to all electrical, plumbing, sanitary, heating, ventilating, and other facilities and major appliances supplied by the landlord upon written notification from the tenant that repairs are needed.
- (4) Verify that the landlord has installed operable smoke detectors and carbon monoxide alarms.

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
