For improvements performed in conjunction with a development contract under G.S. 143-128.1C, a claim of lien on real property or a claim of lien on funds served on a private developer may also be discharged by the private developer and the surety on a payment bond issued under G.S. 143-128.1C(g)(1) in accordance with this subsection. The claim of lien may be discharged by the private developer and surety jointly filing with the clerk of superior court of the county where the project is located a copy of the payment bond together with an affidavit executed by the surety stating that, as of the date of the filing of the payment bond with the clerk of superior court, the amount of the penal sum of the payment bond minus any amounts paid in good faith to other claimants on the project and minus the amount of all other claims of lien on real property filed against the property improved by the project exceeds the amount claimed by the lien claim being discharged by at least one hundred twenty-five percent (125%). Notwithstanding any other contractual provision or law, where a claimant's lien claim has been discharged under this subsection, the claimant shall have no less than one year from the date of being served with the payment bond and affidavit to file suit on the payment bond.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
