§ 44A-75(a) Termination by Payment of Amount Owed. - Any lien under this Article shall be terminated upon receipt by the lienor of the full amount owed for the labor, skill, or materials on the aircraft, and for storage of the aircraft, which amount shall not be limited to any amount shown on the notice of lien filed under G.S. 44A-60, if a notice of lien has been filed by the lienor. Upon receipt of the amount owed, the lienor or the lienor's agent shall release the aircraft to the owner, if the aircraft is in the possession of the lienor, and shall, within 20 days following a request in writing by the aircraft owner, file with the clerk of court a notice of satisfaction of lien, if a notice of lien has been filed by the lienor. A notice of satisfaction of lien shall state that the amount owed for the lienor's expenditure of labor, skill, or materials on the aircraft, and for the storage of the aircraft, has been paid and the lien against the aircraft has been terminated. The notice of satisfaction of lien shall be sworn to or affirmed, and subscribed by the lienor or by someone on the lienor's behalf having personal knowledge of the facts. Upon the filing of a notice of satisfaction of lien, the clerk of court shall make an entry of acknowledgment of satisfaction in the index.

§ 44A-75(b) Termination by Deposit of Surety Bond. - Any lien under this Article shall be terminated by the clerk of court whenever a surety bond in a sum equal to one and one-fourth times the amount of the lien claimed against the aircraft and conditioned upon the payment of the amount finally determined to be due in satisfaction of the lien is deposited with the clerk of court. When a deposit that satisfies this subsection is made, the lienor or the lienor's agent shall release the aircraft to the owner, if the aircraft is in the possession of the lienor. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
