A notarial jurat constitutes an acknowledgment in due form for all plats or maps that have heretofore been accepted for filing and registration under G.S. 47-30 as amended. No plat or map heretofore accepted for filing and registration, that contains a notarial jurat instead of an acknowledgment may be held to be improperly registered solely for lack of a proper acknowledgment.

FULL SECTION

N.C. Gen. Stat. § 47-108.18 (1983).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
