Every person who discovers that there is an error in the registration of his grant, conveyance, bill of sale or other instrument of writing, may prefer a petition to the clerk of the superior court of the county in which said writing is registered, in the same manner as is directed for petitioners to correct errors in grants or patents, and if on hearing the same before said clerk it appears that errors have been committed, the clerk shall order the register of the county to correct such errors and make the record conformable to the original. The petitioner must notify his grantor and every person claiming title to or having lands adjoining those mentioned in the petition, 30 days previous to preferring the same. Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
