§ 53-232.4(a) International banking corporations, other than federal international bank institutions, are subject to Articles 1 through 14 and Articles 17 and 18 of this Chapter, except where it appears, from the context or otherwise, that a provision is clearly applicable only to banks or trust companies organized under the laws of this State or the United States. An international banking corporation has no greater right under, or by virtue of, this Article than is granted to banks organized under the laws of this State.

§ 53-232.4(b) Nothing in this Article is construed as granting any authority, directly or indirectly, for a domestic bank or domestic bank holding company, the operations of which are conducted principally outside this State, to operate a branch in this State or to acquire, directly or indirectly, any voting shares of, or interest in, or all or substantially all of the assets of a bank in this State.

PINPOINT

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
