§ 53-333(a)

An application for a State trust company charter and permission to incorporate the State trust company shall be made to the Commissioner in the form required by the Commissioner and shall be supported by information, data, and records that the Commissioner requires. The application shall be accompanied by the fee set by the Commissioner by rule.

§ 53-333(b)

Upon receipt of the application, the Commissioner shall at once conduct an examination of all relevant facts connected with the formation of the proposed State trust company. The Commissioner may consider the following factors:

- (1) The proposed market or markets to be served;
- (2) Whether the proposed organizational and capital structure and the amount of initial capital appear adequate in relation to the proposed business and market or markets;
- (3) Whether the anticipated volume and nature of business indicate a reasonable probability of success and profitability based on the market or markets proposed to be served;

- (4) Whether the proposed officers and directors, as a group, have sufficient experience, ability, standing, competence, trustworthiness, and integrity to justify a belief that the proposed State trust company will be free from improper or unlawful influence and otherwise will operate in compliance with law, and that success of the proposed State trust company is reasonably probable; and
- (5) Whether the proposed name of the proposed State trust company is likely to mislead the public as to its character or purpose or is the same as a name already adopted by an existing bank, savings association, or trust institution in this State, or so similar thereto as to be likely to mislead the public.

§ 53-333(c)

The failure of an applicant to furnish required information, data, other material, or the required fee within 30 days after a request may be considered an abandonment of the application. (2001-263, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
