§ 53-365(a) Before transacting business with the general public, a private trust company shall file a notice on a form prescribed by the Commissioner, which shall set forth the name of the private trust company and an acknowledgment that any exemption granted or otherwise applicable to the private trust company pursuant to G.S. 53-363 shall cease to apply once the Commissioner terminates private trust company status. The private trust company shall furnish a copy of the resolution adopted by its board of directors authorizing the private trust company to commence transacting business with the general public, and shall pay the filing fee, if any, prescribed by rule of the Commissioner.

§ 53-365(b) The private trust company may commence transacting business with the general public on the thirty-first day after the date the Commissioner receives the notice, unless the Commissioner:

- (1) Establishes an earlier or later date;
- (2) Notifies the private trust company that the notice raises issues that require additional information or additional time for analysis; or
- (3) Disapproves the termination of private trust company status.

§ 53-365(c) If the Commissioner gives a notification described in subdivision (2) of subsection (b) of this section, the private trust company status may be terminated only on approval by the Commissioner.

§ 53-365(d)

The Commissioner may deny approval of the proposed termination of private trust company status if the Commissioner finds that the private trust company lacks sufficient resources to undertake the proposed conversion without adversely affecting its safety or soundness or if the Commissioner determines that the private trust company could not within a reasonable period be in compliance with any provision of this Article from which it previously had been exempted pursuant to G.S. 53-363. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
