- (3) The character, general fitness, and responsibility of the incorporators, initial board of directors, and initial stockholders of the proposed savings bank will command the confidence of the community in which the proposed savings bank intends to locate.

- (4) All subscriptions for capital stock of the proposed savings bank have been purchased with legal tender of the United States.
- (5) There is a reasonable demand and necessity in the community that will be served by the establishment of the proposed savings bank.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
