

CHAPTER 59

ARTICLE 2 - UNIFORM PARTNERSHIP ACT

N.C.G.S. § 59-70.

Rules for distribution.

SOURCE	LAST AMENDMENT IN THIS TEXT	RETRIEVED	SOURCE FINGERPRINT
General Statutes of North Carolina, as published by the General Assembly	S.L. 2022-64, s. 4(b) — second act in the lineage	21 September 2026, 02:50 UTC	bf4bde3fa2028314815bb8c9 - ac1e1bf49c6309d0ea87d99e - eab31dbfc939f2fc

In settling accounts between the partners after dissolution, the following rules shall be observed, subject to any agreement to the contrary:

The assets of the partnership are all of the following:

- a.The partnership property.
- b.The contributions of the partners necessary for the payment of all the liabilities specified in subdivision (2) of this section.

The liabilities of the partnership rank in order of payment, as follows:

- a.Those owing to creditors other than partners.
- b.Those owing to partners other than for capital and profits.
- c.Those owing to partners in respect of capital.
- d.Those owing to partners in respect of profits.

The assets shall be applied in the order of their declaration in subdivision (1) of this section to the satisfaction of the liabilities.

The partners shall contribute, as provided by G.S. 59-48(1), the amount necessary to satisfy any liabilities incurred when the partnership was not a registered limited liability partnership; but if any, but not all, of the partners are insolvent, or, not being subject to process, refuse to contribute, the other partners shall contribute their share of these liabilities, and, in the relative proportions in which they share the profits, the additional amount necessary to pay these liabilities.

An assignee for the benefit of creditors or any person appointed by the court has the right to enforce the contributions specified in subdivision (4) of this section.

A partner has the right to enforce the contributions specified in subdivision (4) of this section to the extent of the amount that the partner has paid in excess of the partner's share of the liability.

The individual property of a deceased partner is subject to the contributions specified in subdivision (4) of this section.

When partnership property and the individual properties of the partners are in possession of a court for distribution, partnership creditors have priority on partnership property and separate creditors have priority on individual property, saving the rights of lien or secured creditors.

Where a partner has become bankrupt or the partner's estate is insolvent, the claims against the separate property rank in the following order:

- a.Those owing to separate creditors.
- b.Those owing to partnership creditors.
- c.Those owing to partners by way of contribution.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
