In this Chapter:

"Member" means a person who, under the rules or practices of a nonprofit association, may participate in the selection of persons authorized to manage the affairs of the nonprofit association or in the development of policy of the nonprofit association.

"Nonprofit association" means an unincorporated organization, other than one created by a trust and other than a limited liability company, consisting of two or more members joined by mutual consent for a common, nonprofit purpose. However, joint tenancy, tenancy in common, or tenancy by the entireties does not by itself establish a nonprofit association, even if the co-owners share use of the property for a nonprofit purpose.

"Person" means an individual, corporation, limited liability company, business trust, estate, trust, partnership, association, joint venture, government, governmental subdivision, agency, or instrumentality, or any other legal or commercial entity.

"State" means a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or insular possession subject to the jurisdiction of the United States. (2006-226, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
