General Statutes of North Carolina, as published by the General Assembly	S.L. 2021-23, s. 6 — seventh act in the lineage	21 September 2026, 02:47 UTC	99b1a21f90d7c4fe5c98a2bc - 9ee2698deb33cb37103a4a15 - b315a7821d7dee23

- § 62-39(a)

The Commission, upon its own motion or upon petition of any public utility or upon petition of the North Carolina Rural Electrification Authority on behalf of any electric membership corporation, shall have the power and authority, after notice and hearing, to order that the lines and right-of-way of any public utility or electric membership corporation may be crossed by any other public utility or electric membership corporation. The Commission, in all such cases, may require any such crossings to be constructed and maintained in a safe manner and in accord with accepted and approved standards of safety and may prescribe the manner in which such construction shall be done.
- § 62-39(b)

The Commission shall also have the power and authority to discontinue and prohibit such crossings where they are unnecessary and can reasonably be avoided and to order changes in existing crossings when deemed necessary.
- § 62-39(c)

In all cases in which the Commission orders such crossings to be made or changed and when the parties affected cannot agree upon the cost of the construction of such crossings or the damages to be paid to one of the parties for the privilege of crossing the lines of such party, it shall be the duty of the Commission to apportion the cost

of such construction and to fix the damage, if any, to be paid and to apportion the damages, if any, among the parties in such manner as may be just and equitable.

§ 62-39(d)

This section shall not be construed to limit the right of eminent domain conferred upon public utilities and electric membership corporations by the laws of this State or to limit the right and duty conferred by law with respect to crossing of railroads and highways, but the duty imposed and the remedy given by this section shall be in addition to other duties and remedies now prescribed by law. Any party shall have the right of appeal from any final order or decision or determination of the Commission as provided by law for appeals from orders or decisions or final determinations of the Commission.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
