

ARTICLE 3 - POWERS AND DUTIES OF UTILITIES COMMISSION

To hear and determine controversies submitted.

When a public utility embraced in this Chapter has a controversy with another person and all the parties to such controversy agree in writing to submit such controversy to the Commission as arbitrator, the Commission shall act as such, and after due notice to all parties interested shall proceed to hear the same, and its award shall be final. Such award in cases where land or an interest in land is concerned shall immediately be certified to the clerk of the superior court of the county or counties in which said land, or any part thereof, is situated, and shall by such clerk be docketed in the judgment docket for such county, and from such docketing shall have the same effect as a judgment of the superior court for such county. Parties may appear in person or by attorney before such arbitrator.

N.C. Gen. Stat. § 62-40 (1963).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
