§ 63-111(a)

The Department of Transportation shall adopt rules requiring any person proposing to construct a meteorological tower to register with the Department. The person proposing to construct the tower shall notify the Department of the proposal, the location and height of the proposed tower, and any other information the Department may require to ensure aviation safety and shall pay a registration fee of three hundred fifty dollars (\$350.00). The rules shall require the owner of a meteorological tower to notify the Department upon removal or destruction of a tower.

§ 63-111(b)

The Department of Transportation shall establish and maintain an electronic database that contains the location of all meteorological towers in the State by January 1, 2017. The Department may contract with a governmental entity or private entity to create and maintain the database. The Department shall make the contents of the database available on its website. (2015-263, s. 10(a); 2025-25, s. 29(5).)

PINPOINT

N.C. Gen. Stat. § 63-111(a) (2026).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
