General Statutes of North Carolina, as published by the General Assembly	c. 749, s. 1 — first act in the lineage	21 September 2026, 05:39 UTC	e71e9c1dbb679db5db579786 - 21e608ee47997b1a34649e5e - 7aeae5d455fa4ea7

§ 63A-19(a)

The Authority shall verify its efforts to achieve the goals established in this section for participation by minority business enterprises, women's business enterprises, and disabled business enterprises in the total value of contracts awarded by the Authority in each of the following categories:

- (1) Contracts for capital construction or repair projects.
- (2) Contracts for goods.
- (3) Contracts for professional and other services.

§ 63A-19(b)

The goals for the Authority are as follows:

- (1) Ten percent (10%) participation by minority business enterprises.
- (2) Five percent (5%) participation by women's business enterprises.
- (3) Two percent (2%) participation by disabled business enterprises.

In determining participation in contract awards, a contract shall be counted as participation by a minority business enterprise without regard to the gender of the owner, but only if the business does not qualify as a disabled business enterprise. A contract shall be counted as participation by a women's business enterprise only if the business does not also qualify as a disabled business enterprise. A contract shall be counted as participation by a disabled business enterprise without regard to the race or gender of the owner. The goals in this section, instead of any goals in Article 8 of Chapter 143 of the General Statutes, apply to the Authority. With respect to projects

for which the Authority would not receive federal funds if it adhered to the goals in this section because the goals are contrary to or are inconsistent with 14 C.F.R. Part 152, Subpart E, Nondiscrimination in Airport Aid Program, the federal law and regulations supersede this section to the extent it is contrary to or inconsistent with the federal law and regulations.

§ 63A-19(c)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
