§ 65-57(d) Upon receipt of the application and filing fee, the Commission shall cause an investigation to be made of the legal entity to conduct the business applied for and the qualification of said legal entity to do business in North Carolina.

§ 65-57(e) The Commission, after receipt of the investigation report, shall grant or refuse to grant the authority to organize the organization applied for after it determines that the applicant possesses good character and general fitness or, in the case of a business association, employs and is directed by personnel of good character and general fitness.

§ 65-57(f) If the Commission intends to deny an application, it shall give written notice to the applicant of its intention to deny. The notice shall state a time and a place for hearing before the Commission and a summary statement of the reasons for the proposed denial. The notice of intent shall be mailed by certified mail to the applicant at the address stated in the application at least 15 days prior to the scheduled hearing date. Any appeals from the Commission's decision shall be to the court having jurisdiction of the applicant, or in the event of an out-of-state applicant, then to the court having jurisdiction of the Commission.

§ 65-57(g)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
