A cemetery company may not cause or permit advertising of a perpetual care fund in connection with the sale or offer for sale of its property unless the amount deposited in the fund is at least one hundred dollars (\$100.00) or ten percent (10%) of the retail sale price, whichever is greater, per grave space, niche, or mausoleum crypt sold. Nothing may prohibit an individual cemetery from requiring a perpetual care deposit for grave memorial markers to be deposited in the perpetual care fund so long as the same assessment is uniformly applied to all grave memorial markers installed in the cemetery.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
