For the purpose of this Article, a "discount buying club" is any person, firm or corporation, which in exchange for any valuable consideration offers to sell or to arrange the sale of goods or services to its customers at prices represented to be lower than are generally available. "Discount buying club" shall not include any cooperative buying association or other group in which no person is intended to profit or actually profits beyond the benefit that all members receive from buying at a discount; nor shall any person, firm or corporation be deemed "a discount buying club" solely by virtue of the fact that (i) for fifty dollars (\$50.00) or less it sells tickets or coupons valid for use in obtaining goods or services from a retail merchant, or (ii) as a service collateral to its principal business, and for no additional charge it arranges for its members or customers to purchase or lease directly from particular merchants at a specified discount.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
