§ 66-220(a) This Article shall be known and may be cited as the Credit Repair Services Act.

§ 66-220(b) The General Assembly recognizes that many of its citizens rely heavily on favorable credit ratings in order to obtain goods and services, and that some of these citizens are unable to secure credit because of unfavorable credit histories. The General Assembly further recognizes that consumers sometimes need assistance in obtaining credit or in correcting erroneous credit histories, and that this need has given rise to the establishment of businesses organized for the purpose of providing credit repair services. The purpose of this Article is to ensure that businesses offering credit repair services are providing these services in a manner that is fair and reasonable to the consuming public.

PINPOINT

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
