§ 66-354(a) General. - A document filed with the Secretary under this Article must be signed by an officer or general partner of the person submitting the document. Within five days after a person files a document with the Secretary under this Article, the person must send a copy of the document to any county or city included in the service area described in the document and to the registered agent of any cable service provider that is providing cable service under an existing agreement in the service area described in the document.

The provisions of Article 2 of Chapter 55D of the General Statutes apply to the submission of a document under this Article. A document filed under this Article is a public record as defined in G.S. 132-1. The Secretary must post a document filed under this Article on its website or indicate on its website that the document has been filed and is available for inspection.

A successor in interest to a person who has filed a notice of franchise is not required to file another notice of franchise. When a change in ownership occurs, the owner must file a notice of change in ownership with the Secretary within 14 days after the change becomes effective.

§ 66-354(b) Forfeiture. - A person who offers cable service over a cable system without filing a notice of franchise or a notice of service as required by this Article is subject to forfeiture of the revenue received during the period of noncompliance from subscribers to the cable service in the area of noncompliance. Forfeiture does not apply to revenue received from cable service provided over a cable system in an area that is adjacent to a service area described in a notice of franchise and notice of service filed

by that cable service provider under G.S. 66-352 if the provider obtains a State-issued franchise and files a notice of service that includes this area within 20 days after a civil action for forfeiture is filed. A forfeiture does not affect the liability of the cable service provider for sales tax due under G.S. 105-164.4 on cable service.

A cable service provider whose area includes the area in which a person is providing cable service without complying with the notice of franchise and notice of service requirements may bring a civil action for forfeiture. The amount required to be forfeited in the action must be remitted to the Civil Penalty and Forfeiture Fund established in G.S. 115C-457.2. (2006-151, s. 1; 2025-25, s. 29(5).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
