An online entity operator shall display a prominently visible notice on the website or mobile application of the online entity that provides instructions on how a person can request the removal of a pornographic image.
- § 66-507(c)

If an online entity operator receives a request from an eligible person or a law enforcement officer acting pursuant to a valid court order, through any request mechanism offered by the operator under subsection (b) of this section, to remove a pornographic image that is being hosted by the online entity without the consent of an individual who appears in the pornographic image, the operator shall remove the pornographic image as quickly as possible, and in any event not later than 72 hours after receiving the request.

## FULL SECTION

## PINPOINT

N.C. Gen. Stat. § 66-507(a) (2026).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

## COLOPHON

## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
