Upon the order made for the survey in the manner, at the time, and by the persons mentioned in the order, which shall include a representative of the party making the application, who shall not be one of the surveyors, there shall be given free access to the mine for the purpose of survey, and any interference with the persons acting under the order of survey shall be contempt of court and punished accordingly. Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
