Whenever the Department determines the necessity of a bond or other security forfeiture under the provisions of G.S. 74-81, or whenever it revokes, suspends or modifies a permit under the provisions of G.S. 74-82, it shall request the Attorney General to initiate forfeiture proceedings against the bond or other security filed by the permit holder: Provided, however, that no such request shall be made for forfeiture of a bond or other security until the guarantor has been given written notice of the violation and a reasonable opportunity to take corrective action. These proceedings shall be brought in the name of the State of North Carolina. In these proceedings, the face amount of the bond or other security, less any amount previously released by the Department, shall be treated as liquidated damages and subject to forfeiture. All funds collected as a result of these proceedings shall be placed in a special fund and used by the Department to carry out, to the extent possible, the abandonment measures which the permit holder has failed to complete. If the amount of the bond or other security filed pursuant to this section proves to be insufficient to complete the required abandonment, the permit holder shall be liable to the Department for any excess above the amount of the bond or other security which may be required to defray the cost of completing the required reclamation.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
