It shall be unlawful for any person, firm, association, or corporation and its agents and employees to hire an armed guard or an armed licensee and knowingly authorize or permit the armed guard or armed licensee to carry a firearm during the course of performing his or her duties if the Board has not issued him or her a firearm registration permit under this section, or if the person, firm, association, or corporation permits an armed guard or licensee to carry a firearm during the course of performing his or her duties whose firearm registration permit has been suspended, revoked, or has otherwise expired:

- (1) A firearm registration permit grants authority to the armed guard or licensee, while in the performance of his or her duties or traveling directly to and from work, to carry any firearm approved by the Board and not otherwise prohibited by law. The use of any firearm not approved by the Board is prohibited.
- (2) All firearms carried by authorized armed guards or armed licensees in the performance of their duties shall be owned or leased by the employer. A licensee's firearm registration permit expires one year from the date of issuance and shall be renewed annually. The Board may require all permit holders to complete continuing education courses approved by the Board before renewal of their permits.

§ 74C-13(d2)

§ 74C-13(f)
