§ 74E-2(a) The purpose of this Chapter is to ensure a minimum level of integrity, proficiency, and competence among company police agencies and company police officers. To achieve this purpose, the General Assembly finds that a Company Police Program needs to be established. As part of the Company Police Program, the Attorney General is given the authority to certify an agency as a company police agency and to commission an individual as a company police officer.

§ 74E-2(b) A hospital, a State institution, or a corporation engaged in providing on-site police security personnel services for persons or property may apply to the Attorney General to be certified as a company police agency. A company police agency may apply to the Attorney General to commission an individual designated by the agency to act as a company police officer for the agency. (1991 (Reg. Sess., 1992), c. 1043, s. 1; 2005-231, s. 2.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
