- § 74E-3(a)

An applicant for certification as a company police agency must file with the Attorney General either a copy of a liability insurance policy that meets the requirements of this section or a certificate of self-insurance designating assets sufficient to satisfy the coverage requirements of this section if the applicant is a nonpublic entity. The policy or certificate of self-insurance must provide not less than one million dollars (\$1,000,000) of coverage per incident for personal injury or property damage resulting from a negligent act of the applicant or an agent or employee of the applicant operating in the course and scope of employment or under color of law. The form, execution, and terms of a liability insurance policy must meet the requirements of the Attorney General.
- § 74E-3(b)

An insurance carrier that issues a liability insurance policy required by this section may cancel the policy upon giving 30 days' written notice to both the company police agency and the Attorney General. The written notice must be given by certified mail, return receipt requested. Cancellation of a liability insurance policy does not affect any liability on the policy that accrued prior to the effective cancellation date.
- § 74E-3(c)

A company police agency that is a nonpublic entity must maintain the liability insurance policy or certificate of self-insurance required by this section in effect at all times. The Attorney General shall suspend the certification of a company police

agency that fails to maintain a liability insurance policy or certificate of self-insurance when required to do so by this section. A certification suspended for this reason may not be reinstated until the person whose certification was suspended files with the Attorney General an application for reinstatement and either the required liability insurance policy or certificate of self-insurance. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
