§ 75-82(a) It shall be unlawful where the intent is to injure competition for any motor fuel merchant or the affiliate of any motor fuel merchant to sell with such frequency as to indicate a general business practice of selling at a motor fuel outlet any grade, brand or blend of motor fuel for less than the cost of that grade, brand or blend of motor fuel except where (i) the price is established in good faith to meet or compete with the lower price of a competitor in the same market area on the same level of distribution selling the same or comparable product of like quality, (ii) the price remains in effect for no more than 10 days after the first sale of that grade, brand or blend by the merchant at a new retail outlet, (iii) the sale is made in good faith to dispose of a grade, brand or blend of motor fuel for the purpose of discontinuing sales of that product, or (iv) the sale is made pursuant to the order or authority of any court or governmental agency.

§ 75-82(b) For purposes of this Article, motor fuel cost shall be computed separately for each grade, brand or blend of each motor fuel at each location where said motor fuel is offered for sale; however, nothing in this subsection shall prevent a motor fuel merchant from using a weighted average motor fuel cost for comparable grade, brand or blend when such motor fuel merchant is supplied by more than one refiner or terminal supplier at one or more terminals.

§ 75-82(c) This Article shall apply only to retail sales of motor fuel at motor fuel outlets. (1985 (Reg. Sess., 1986), c. 972, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
