§ 75-87(a) In any private action brought under this Article, a violation shall be presumed to have occurred if: (i) the prevailing price under G.S. 75-81(4)(a) for any grade, brand or blend of a motor fuel sold by a refiner or terminal supplier to a wholesaler or retailer is greater than the price of the same grade, brand or blend of motor fuel sold by such refiner or terminal supplier directly through its own motor fuel outlet or through the outlet of an affiliate of said refiner or terminal supplier; or (ii) if the product price of any grade, brand or blend of a motor fuel sold by a wholesaler to a retailer is greater than the retail price of the same grade, brand or blend of motor fuel sold by such wholesaler through its own motor fuel outlet or the outlet of an affiliate of said wholesaler, provided the method of delivery and quantities of each delivery of motor fuel to the retailer and to the wholesaler's outlet or affiliate's outlet are the same or comparable.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
