§ 75D-2(a) The General Assembly finds that a severe problem is posed in this State by the increasing organization among certain unlawful elements and the increasing extent to which organized unlawful activities and funds acquired as a result of organized unlawful activity are being directed to and against the legitimate economy of the State.

§ 75D-2(b) The General Assembly declares that the purpose and intent of this Chapter is: to deter organized unlawful activity by imposing civil equitable sanctions against this subversion of the economy by organized unlawful elements; to prevent the unjust enrichment of those engaged in organized unlawful activity; to restore the general economy of the State all of the proceeds, money, profits, and property, both real and personal of every kind and description which is owned, used or acquired through organized unlawful activity by any person or association of persons whether natural, incorporated or unincorporated in this State; and to provide compensation to private persons injured by organized unlawful activity. It is not the intent of the General Assembly to in any way interfere with the attorney-client relationship.

§ 75D-2(c) It is not the intent of the General Assembly that this Chapter apply to isolated and unrelated incidents of unlawful conduct but only to an interrelated pattern of organized unlawful activity, the purpose or effect of which is to derive pecuniary gain. Further, it is not the intent of the General Assembly that legitimate business organizations doing business in this State, having no connection to, or any relationship or involvement with organized unlawful elements, groups or activities be subject to suit under the provisions of this Chapter. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
