The three counties may by joint resolution create the Mountain Island Lake Marine Commission. Upon its creation the Commission has the powers, duties, and responsibilities conferred upon it by joint resolution, subject to the provisions of this Article. The provisions of any joint resolution may be modified, amended, or rescinded by a subsequent joint resolution. A county may unilaterally withdraw from participation as provided by any joint resolution or the provisions of this Article, once the Commission has been created, and any county may unilaterally withdraw from the Commission at the end of any budget period upon 90 days prior written notice. This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
