It is unlawful for any person to willfully manage, supervise, control, or own, directly or indirectly, either alone or in association with others, any telephone room in this State. For purposes of this section, "telephone room" means an enterprise in which two or more persons engage in telephone communications with members of the public using two or more telephones at one location, or more than one location in a common scheme or enterprise, in violation of G.S. 78A-8 or G.S. 78A-12. It is an affirmative defense to a prosecution under this section that the person acted in good faith and did not directly or indirectly induce an act or acts constituting a violation of G.S. 78A-8 or G.S. 78A-12.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
