§ 78C-90(a) Except as otherwise provided in subsection (b) of this section, the Secretary of State shall issue a certificate of registration to an individual who complies with G.S. 78C-89(a) or whose application has been accepted under G.S. 78C-89(b).

§ 78C-90(b) The Secretary of State may refuse to issue a certificate of registration if the Secretary of State determines that the applicant has engaged in conduct that has a significant adverse effect on the applicant's fitness to act as an athlete agent. In making the determination, the Secretary of State may consider whether the applicant has:

- (1) Been convicted of a crime that, if committed in this State, would be a crime involving moral turpitude or a felony.
- (2) Made a materially false, misleading, deceptive, or fraudulent representation in the application or as an athlete agent.
- (3) Engaged in conduct that would disqualify the applicant from serving in a fiduciary capacity.
- (4) Engaged in conduct prohibited by G.S. 78C-98.
- (5) Had a registration or licensure as an athlete agent suspended, revoked, or denied or been refused renewal of registration or licensure as an athlete agent in any state.

- (6) Engaged in conduct the consequence of which was that a sanction, suspension, or declaration of ineligibility to participate in an interscholastic or intercollegiate athletic event was imposed on a student-athlete or educational institution.
- (7) Engaged in conduct that significantly adversely reflects on the applicant's credibility, honesty, or integrity.

§ 78C-90(c) In making a determination under subsection (b) of this section, the Secretary of State shall consider: (i) how recently the conduct occurred; (ii) the nature of the conduct and the context in which it occurred; and (iii) any other relevant conduct of the applicant.

§ 78C-90(d) An athlete agent may apply to renew a registration by submitting an application for renewal in a form prescribed by the Secretary of State. The application for renewal must be signed by the applicant under penalty of perjury and must contain current information on all matters required in an original registration.

§ 78C-90(e) An individual who has submitted an application for renewal of registration or licensure in another state, in lieu of submitting an application for renewal in the form prescribed pursuant to subsection (d) of this section, may file a copy of the application for renewal and a valid certificate of registration or licensure from the other state. The Secretary of State shall accept the application for renewal from the other state as an application for renewal in this State if the application to the other state satisfied the following:

- (1) Was submitted in the other state within six months immediately preceding the filing in this State and the applicant certifies the information contained in the application for renewal is current.
- (2) Contains information substantially similar to or more comprehensive than that required in an application for renewal submitted in this State.
- (3) Was signed by the applicant under penalty of perjury.

§ 78C-90(f) A certificate of registration or a renewal of a registration is valid for one year.

§ 78C-90(g) An application filed under this section is a "public record" within the meaning of Chapter 132 of the General Statutes. (2003-375, s. 2.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
