§ 7A-772(a) The Director may award grants in accordance with the policies established by this Article and in accordance with any laws made for that purpose, including appropriations acts and provisions in appropriations acts, and adopt regulations for the implementation, operation, and monitoring of sentencing services programs. Sentencing services programs that are grantees shall use the funds exclusively to develop a sentencing services program that provides sentencing information to judges and other court officials. Grants shall be awarded by the Director to agencies whose comprehensive program plans promise best to meet the goals set forth herein. The Director shall consider the plan required by G.S. 7A-774 in making funding decisions. If a senior resident superior court judge has not formally endorsed the plan, the Director shall consider that fact in making grant decisions, but the Director may, if appropriate, award grants to a program in which the judge has not endorsed the plan as submitted.

§ 7A-772(b) The Director may establish local sentencing services programs and appoint those staff as the Director deems necessary. These personnel may serve as full-time or part-time State employees or may be hired on a contractual basis when determined appropriate by the director. Contracts entered under the authority of this subsection shall be exempt from the competitive bidding procedures under Chapter 143 of the General Statutes. The Office of Indigent Defense Services shall adopt rules necessary and appropriate for the administration of the program. Funds appropriated by the General Assembly for the establishment and maintenance of sentencing services programs under this Article shall be administered by the Office of Indigent Defense Services.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
