The General Assembly recognizes that a critical need exists in this State for judicial programs that will reduce the incidence of alcohol and other substance abuse or dependence and crimes, including the offense of driving while impaired, delinquent acts, and child abuse and neglect committed as a result of alcohol and other substance abuse or dependence; child abuse and neglect where alcohol and other substance abuse or dependence are significant factors in the child abuse and neglect; and offenses, delinquent acts, and child abuse and neglect where mental, behavioral, or medical health is a significant factor in commission of the offense or act. COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
