§ 7B-3900(a) Finding adoptive families for children, for whom state assistance is desirable pursuant to G.S. 108A-49 and G.S. 108A-50, and assuring the protection of the interests of the children affected during the entire assistance period require special measures when the adoptive parents move to another state or are residents of another state. Additionally, the provision of medical and other necessary services for children receiving State assistance encounters special difficulties when the provision of services takes place in another state.

§ 7B-3900(b) In recognition of the need for special measures, the General Assembly authorizes the Secretary of the Department of Health and Human Services to enter into interstate agreements with agencies of other states for the protection of children on behalf of whom adoption assistance is being provided by the Department of Health and Human Services and to provide procedures for interstate adoption assistance payments, including payments for medical services. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
