Unless the court orders otherwise, when a juvenile is placed in the nonsecure custody of a county department of social services, the director may arrange for, provide, or consent to any of the following:

(1)

Routine medical and dental care or treatment, including, but not limited to, treatment for common pediatric illnesses and injuries that require prompt intervention.

- § 7B-505.1(b)

When placing a juvenile in nonsecure custody of a county department of social services pursuant to G.S. 7B-502, the court may authorize the director to consent to a Child Medical Evaluation upon written findings that demonstrate the director's compelling interest in having the juvenile evaluated prior to the hearing required by G.S. 7B-506.
- § 7B-505.1(c)

The director shall obtain authorization from the juvenile's parent, guardian, or custodian to consent to all care or treatment not covered by subsection (a) or (b) of this section, except that the court may authorize the director to provide consent after a hearing at which the court finds by clear and convincing evidence that the care,

treatment, or evaluation requested is in the juvenile's best interest. Care and treatment covered by this subsection includes:

- (1) Prescriptions for psychotropic medications.
- (2) Participation in clinical trials.
- (3) Immunizations when it is known that the parent has a bona fide religious objection to the standard schedule of immunizations.

- (5) Surgical, medical, or dental procedures or tests that require informed consent.
- (6) Psychiatric, psychological, or mental health care or treatment that requires informed consent.

§ 7B-505.1(d) For any care or treatment provided, the director shall make reasonable efforts to promptly notify the parent, guardian, or custodian that care or treatment will be or has been provided and give the parent or guardian frequent status reports on the juvenile's treatment and the care provided. Upon request of the juvenile's parent, guardian, or custodian, the director shall make available to the parent, guardian, or custodian any results or records of the aforementioned evaluations, except when prohibited by G.S. 122C-53(d). The results of a Child Medical Evaluation shall only be disclosed according to the provisions of G.S. 7B-700.

§ 7B-505.1(e) Except as prohibited by federal law, the department may disclose confidential information deemed necessary for the juvenile's assessment and treatment to a health care provider serving the juvenile.

§ 7B-505.1(f) Unless the court has ordered otherwise, except as prohibited by federal law, a health care provider shall disclose confidential information about a juvenile to a director of a county department of social services with custody of the juvenile and a parent, guardian, or custodian. A child medical evaluation performed by a health care provider rostered with the North Carolina Child Medical Evaluation Program shall be governed by subsection (d) of this section and G.S. 108A-75.4. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
