§ 85B-6(a) The Commission shall collect and remit to the State Treasurer fees in an amount not to exceed the following:

ItemMaximum Fee

Issuance or renewal of license125.00

Auctioneers:

Issuance or renewal of license250.00

Auction Firms:

Application for license125.00

Examination75.00

Issuance or renewal of license250.00

Reinstatement of License75.00.

An application fee for a license and an examination fee are nonrefundable. The amount payable by a nonresident under G.S. 85B-5 to obtain a nonresident reciprocal

auctioneer license is the greater of the amount set in the above table for an examination for and the issuance of an auctioneer's license and the amount the nonresident's state would charge a resident auctioneer of this State to obtain a comparable license from that state.

A reinstatement fee is payable when a person applies for renewal of a license after the license has lapsed for failure to renew it before it expired. The reinstatement of a lapsed license is not retroactive in effect and does not limit the authority of the courts or of the Commission to take disciplinary action against a person who engages in the auctioneer profession with a lapsed license.

§ 85B-6(b)

No local government or agency of local government may charge any fees or require any licenses for auctioneers, apprentice auctioneers, or auction firms in addition to those set out in this Chapter.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
