A copy of the sanitary rules and regulations set out in this section shall be furnished by the Board to the owner or manager of each barbershop, mobile barbershop, or barber school, or any other place where barber service is rendered in the State, and that copy shall be posted in a conspicuous place in each barbershop, mobile barbershop, or barber school. The Board shall have the right to make additional rules and regulations governing barbers and barbershops, mobile barbershops, and barber schools for the proper administration and enforcement of this section, but no such additional rules or regulations shall be in effect until those rules and regulations have been furnished to each barbershop within the State.

§ 86B-31(c)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
