§ 86B-63(a) Any person who desires to be certified as an "electrology instructor" pursuant to this Chapter shall meet all of the following requirements:

- (1) Submit an application on a form approved by the Board.
- (2) Be a licensed electrologist.
- (3) Have practiced electrology actively for at least five years immediately before the application.
- (4) Pass a written examination given by the Board.

§ 86B-63(b) At least twice each year, the Board shall give an examination to applicants for certification as an electrology instructor. The examination shall consist of written and verbal sections testing the applicants' knowledge of the basic and clinical sciences relating to the theory and practice of electrology. The Board shall give applicants notice of the date, time, and place of the examination at least 60 days in advance.

§ 86B-63(c) When the Board determines that an applicant has met all the qualifications for certification as an electrology instructor, and has submitted the required fee, the Board shall issue an instructor's certificate to the applicant. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
