General Statutes of North Carolina, as published by the General Assembly	S.L. 2017-10, s. 2.7(a) — sixth act in the lineage	21 September 2026, 01:15 UTC	8dbf82f479c41c3834af5385 - 95d2048f6057458f5faffe73 - 4f0dbbb6585fac45

§ 87-64(a) Each applicant for a license by examination shall pay to the Board of Refrigeration Contractors a nonrefundable examination fee in an amount to be established by the Board not to exceed the sum of one hundred dollars (\$100.00).

§ 87-64(b) The license of every person licensed under the provisions of this statute shall be annually renewed. Effective January 1, 2012, the Board may require, as a prerequisite to the annual renewal of a license, that licensees complete continuing education courses in subjects related to refrigeration contracting to ensure the safe and proper installation of commercial and transport refrigeration work and equipment. On or before November 1 of each year the Board shall cause to be mailed an application for renewal of license to every person who has received from the Board a license to engage in the refrigeration business, as heretofore defined. On or before January 1 of each year every licensed person who desires to continue in the refrigeration business shall forward to the Board a nonrefundable renewal fee in an amount to be established by the Board not to exceed eighty dollars (\$80.00) together with the application for renewal. Upon receipt of the application and renewal fee the Board shall issue a renewal certificate for the current year. Failure to renew the license annually shall automatically result in a forfeiture of the right to engage in the refrigeration business.

§ 87-64(c) Any licensee who allows the license to lapse may be reinstated by the Board upon payment of a nonrefundable late renewal fee in an amount to be established by the Board not to exceed one hundred sixty dollars (\$160.00) together with the application for renewal. Any person who fails to renew a license for two consecutive years shall be

required to take and pass the examination prescribed by the Board for new applicants before being licensed to engage further in the refrigeration business.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
