§ 88B-13(b)

Instead of meeting the requirements in subsection (a) of this section, any applicant who is licensed as a cosmetologist, esthetician, natural hair care specialist, or manicurist in another state shall be admitted to practice in this State under the same reciprocity or comity provisions that the state in which the applicant is licensed grants to persons licensed in this State.

§ 88B-13(c)

The Board may establish standards for issuing a license to an applicant who is licensed as a teacher in another state. These standards shall include a requirement that the licensure requirements in the state in which the teacher is licensed shall be substantially equivalent to those required in this State and that the applicant shall be licensed by the Board to practice in the area in which the applicant is licensed to teach.

PINPOINT

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
