§ 88B-17(a) Each private cosmetic art school shall provide a guaranty bond unless the school has already provided a bond or an alternative to a bond under G.S. 115D-95. The Board may restrict, suspend, revoke, or refuse to renew or reinstate the license of a school that fails to maintain a bond or an alternative to a bond pursuant to this section or G.S. 115D-95.

§ 88B-17(b) (1)The applicant shall file the guaranty bond with the clerk of superior court in the county in which the school is located. The bond shall be in favor of the students. The bond shall be executed by the applicant as principal and by a bonding company authorized to do business in this State. The bond shall be conditioned to provide indemnification to any student or the student's parent or guardian who has suffered loss of tuition or any fees by reason of the failure of the school to offer or complete student instruction, academic services, or other goods and services as related to course enrollment for any reason, including suspension, revocation, or nonrenewal of a school's approval, bankruptcy, foreclosure, or the school's ceasing to operate.

- (2) The bond amount shall be at least equal to the maximum amount of prepaid tuition held at any time by the school during the last fiscal year, but in no case shall be less than ten thousand dollars (\$10,000). Each application for license or license renewal shall include a letter signed by an authorized representative of the school showing the calculations made and the method of computing the amount of the bond in accordance with rules prescribed by the Board. If the Board finds that the calculations made and the method of computing the amount of the bond are inaccurate or that the amount of the bond is otherwise inadequate to provide indemnification under the terms of the bond, the Board may require the applicant to provide an additional bond.
- (3) The bond shall remain in force and effect until canceled by the guarantor. The guarantor may cancel the bond upon 30 days' notice to the Board. Cancellation of the bond shall not affect any liability incurred or accrued prior to the termination of the notice period.

§ 88B-17(c)

An applicant who is unable to secure a bond may seek from the Board a waiver of the guaranty bond requirement and approval of one of the guaranty bond alternatives set forth in this subsection. With the approval of the Board, an applicant may file one of the following instead of a bond with the clerk of court in the county in which the school is located:

- (1) An assignment of a savings account in an amount equal to the bond required that is in a form acceptable to the Board, and is executed by the applicant and a federally insured depository institution or a trust institution authorized to do business in this State, and access to the account is subject to the same conditions as those for a bond in subsection (b) of this section.
- (2) A certificate of deposit that is executed by a federally insured depository institution or a trust institution authorized to do business in this State and access to the certificate of deposit is subject to the same conditions as those for a bond in subsection (b) of this section. (1989 (Reg. Sess., 1990), c. 824, s. 4; 1991, c. 636, s. 5; 1998-230, s. 2; 2017-25, s. 1(g).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
