In connection with the practice of forestry by such nonresident in North Carolina, the consent as to service of process and pleadings shall be held binding and valid in all courts, as if due service had been made personally upon said nonresident by the Board, when such process has been served upon the Board secretary.

§ 89B-9(d)

A nonresident or person who has moved to North Carolina recently and who is registered as a registered forester in another jurisdiction may be registered under this Chapter, by written application to the Board, if that jurisdiction provides for the same or substantially the same registration for North Carolina foresters who are registered under this Chapter.

§ 89B-9(e)

A nonresident of North Carolina may use the term "registered forester" or other titles otherwise prohibited by this Chapter in North Carolina without becoming registered under this Chapter if registered in another state which will reciprocate with the provision of this Chapter.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
